Policy Number: 7.1M

Acceptance & Refusal of Authorisation

Date Reviewed: November 2017
Next Review Date: November 2019

Policy Statement

Authorisation must be obtained from parent/guardians or authorised nominees in the following circumstances:

- administering medication to children (regulation 92)
- children leaving the premises in the care of someone other than their parent (regulation 99) other than the case of emergency
- children being taken on excursions (regulation 102)

Goals

- Our service has a responsibility to protect the health, safety and wellbeing of each child at all times.
- Educators require authorisation for actions such as administration of medications, collection of children, excursions and providing access to personal records.
- This policy outlines what constitutes a correct authorisation and what does not, and may therefore result in a refusal.

Strategies

Refusing a Written Authorisation

On receipt of a written authorisation from a parent/guardian that does not meet the requirements outlined in the related service policy, the Approved Provider or delegated authority will:

- Immediately explain to the parent/guardian that their written authorisation does not meet legislative and policy guidelines.
- Provide the parent/guardian with a copy of the relevant service policy and ensure that they understand the reasons for the refusal of the authorisation.
- Request that an appropriate alternative written authorisation is provided by the parent/guardian.
- In instances where the parent/guardian cannot be immediately contacted to provide an alternative written authorisation, follow related policy procedures pertaining to the authorisation type.
- Follow up with the parent/guardian, where required, to ensure that an appropriate written authorisation is obtained.

Roles & Responsibilities

Approved Provider will:

- Ensure the service operates in line with the Education and Care Services National Law and National Regulations 2011.

Nominated Supervisor / Responsible Person will:

- Provide supervision, guidance and advice to ensure adherence to the policy at all times.
